O-MAST Members Meeting

July 6, 2026

O-MAST ON THE MOVE

- The O-MAST Coalition continues to grow, welcoming new members from East Oakland's industrial community.
- Our coalition unites maritime, industrial, logistics, labor, and community stakeholders from across Oakland's goods movement sector.
- Together, we offer a strong, unified voice that reflects the full breadth of Oakland's industrial economy and advocates for its long-term success.
- This growing alliance underscores the importance of citywide collaboration to strengthen industrial jobs, protect critical infrastructure, and support the long-term vitality of the Port of Oakland and the broader goods movement ecosystem it sustains.

CURRENT PRIORITIES

OAKLAND GENERAL PLAN

- Prioritize **industrial-compatible land uses** into the draft and final plan

GOODS MOVEMENT PLAN

- Support the development and implementation of a **citywide goods movement plan** and incorporate it into the final General Plan Update

TRUCK ROUTES MAP

- Support the development and adoption of the **updated truck route map**, including heavyweight routes, and incorporate into the Land Use & Transportation Element

CURRENT PRIORITIES

ADELINE BRIDGE

- Continue to press for the **seismic retrofit and long-term replacement** of the Adeline Street Bridge

OVERWEIGHT CORRIDOR LEGISLATION

- Updating and codifying **trucking corridor routes through legislation** - expected to be heard at the city council this year

INDIRECT SOURCE RULE (ISR)

- Monitor developments related to the **BAAQMD ISR**, including the timeline and opportunities for stakeholder engagement

MEMBERSHIP

O-MAST MEMBERSHIP BENEFITS

- **Amplified Voice** – Members are part of a large coalition with globally recognized and locally impactful stakeholders
- **Information** – Members receive curated legislative and informational updates
- **Networking** – Members forge valuable relationships with key stakeholders that open new channels of collaboration
- **Advocacy** – Members have the opportunity to be at the table with key decision-makers and to ensure that their voice is heard
